School Values Poster Competition – Home Challenge

We are excited to formally launch our new school values! During this week and to help celebrate, every pupil from P3 to Primary 7, is invited to create a poster at home that highlights how we can live out these values every day in school. We encourage you, as parents, to engage in this and help generate discussion as well as help design this poster. It is a collaborative process and will help reinforce our school values.

Our School Values:

Show Respect: We are kind and listen to others.

High Expectations: We always try our best.

Inclusive: Everyone is welcome here.

Nurture: We care for each other.

Empower: We believe in ourselves and help others.

“Let your light shine”

We have provided each child with a A4 blank page and how you create this poster is up to you. There are no suggestions other than to:

- Create a bright and colourful poster that shows one or more of our school values.
- Use pictures, words, and colour to show what the value means and how we can use it in school.

Prizes & Display:

The Winning posters will be put up around the school and shared in assembly and there will be prizes for creativity and effort!

Please bring your poster into school by Friday 14th November 2025 and the winners will be announced at our Assembly on Friday 21st November 2025.
