Dear Parents,

We are currently making preparations for another set of class packs for our Primary 6 class for up until the Easter holidays, should they be required. As things currently stand we have had no indication that pupils will be back in school before the Easter holidays, but should that be the case we will very much look forward to welcoming our Primary 6 class back to school.

In preparation for these packs, we are very aware that, in normal circumstances, thoughts would be turning to the transfer procedure in Primary 7. Again no update is available in this regard. However, we are preparing additional materials for any pupil who may wish to do additional revision type work over the next few weeks. These additional packs will contain materials to help prepare the pupils for future practice papers and are targeted only at those considering taking part in the transfer test.

We must stress that any additional work given will be in addition to the current P6 work schedule and it is the responsibility of each pupil to complete that additional work after completing the normal P6 daily work schedule.

If you feel your child would benefit from the additional work pack, please contact Miss Green at [kgreen727@c2kni.net](mailto:kgreen727@c2kni.net) by 12.00pm Friday 12<sup>th</sup> March 2021 to allow us to prepare this pack for collection on Monday 22<sup>nd</sup> March 2021.

Yours sincerely

Mr Gilchrist  
Principal
