

St Mary's Primary School,
Portaferry,
BT22 1RH

Dear Parents/Guardians,

I hope this letter finds you well. I wanted to reach out and share some exciting news about a new after school program called JymKidz that we will be offering at your school. JymKidz is a gymnastics program designed to provide a fun and engaging experience for your children while promoting physical fitness and coordination.

At JymKidz, we believe that gymnastics is not only a great way to stay active, but also a fantastic opportunity for children to develop important life skills such as discipline, teamwork, and self-confidence. Our sessions are structured in a way there that is an equal balance of physical activity, learning and development and lots of fun! Jymkidz experienced and certified coaches will guide your children through a variety of gymnastics activities, including tumbling, balance beam, bars, and more.

Here is some key information regarding Jymkidz after school program:

On the 17th of April from 10am we will be running a PE session to give your child an insight of what our classes are, following with an after schools class. The after schools program will run every Wednesday starting from the 17th of April 2024. This program is open to all pupils with 2 classes running. The first class will begin from 2:00pm until 3:00pm with 25 spaces for P1 to P3 pupils. The second class will run from 3:00pm until 4:00pm with a further 25 spaces for P4 to P7 pupils.

Sessions will be £4.00 per child. It is also available to book for the full term, which will cover all sessions for the duration of this program. To enrol your child in the JymKidz program, please visit our website, www.jymkidz.com. Once you visit our website select 'Classes' and then select 'St Mary's Portaferry Primary School', and fill out the information that follows. Your child must be enrolled for the class via our website or else they will not be able to attend the session.

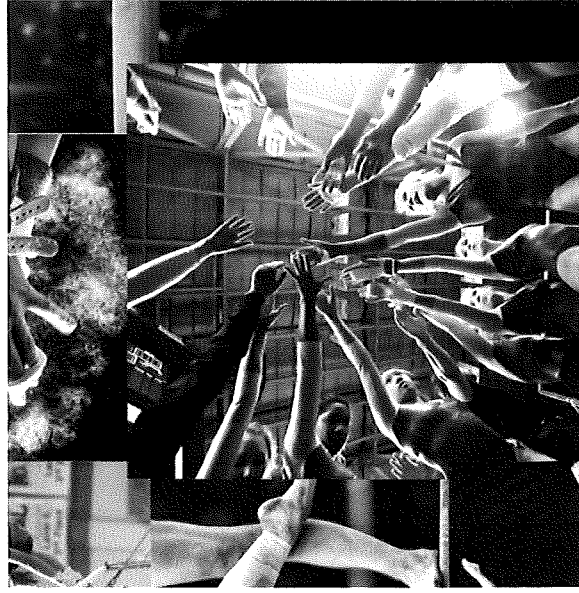

We understand that safety is a top priority for parents, and we want to assure you that we have taken all necessary precautions to create a safe and secure environment for your children. Our coaches are trained in coaching gymnastics, first aid and also have Access NI checks.

We believe that JymKidz will provide a wonderful opportunity for your children to not only enhance their physical abilities, but also create a passion for gymnastics and an appreciation for an active lifestyle. We encourage you to take advantage of this exciting program and give your child the chance to explore the world of gymnastics.

If you have any questions or would like further information, please don't hesitate to reach out to us. We look forward to welcoming your child to the JymKidz after school program!

Kind Regards,
JymKidz
