Dear Parent

It has come to our attention that a number of pupils in our school are using various online platforms to keep in contact and share messages with each other but that not all of these messages are appropriate in their content.

I would ask that you continue to be vigilant, keep a close monitor on your child's use of these platforms and to discuss their use of social media.

Should you wish to discuss this further, or should you become aware of any issues relating to the content and use of social media that may relate directly to the school or which may have impact on your child's participation in school, that you do not hesitate to contact the school immediately.

Yours sincerely

Mr Gilchrist
Principal
