At Saint Mary's Primary School and Nursery Unit, we acknowledge that sustaining good behaviour creates a need for continuous assessment of the effectiveness of approaches to behaviour management in our school.

We will commit to review and make changes to our positive behaviour policy, encouraging innovation and flexibility in interacting with our pupils when and if the need arises.

It is hoped that through the adoption of this Positive Behaviour Policy, with the teachers, pupils and parents working together, we will continue to provide a safe, secure, happy and structured atmosphere for effective learning.
