22nd April 2024

Dear Parent,

Lafayette Photographers will visit the school on Thursday 25th April 2024.

They will take both class and individuals photographs of Nursery, P1 and P7. They will also photograph individual children and family groups (including pre-school children if requested).

Please indicate clearly on the reply slip below your preference and return it with your child to the school by Wednesday 24th May 2024. We would request all reply slips back even if no photo is required, this is to ensure a more streamline morning.

Please ensure that all children are dressed in their school uniforms.

Yours sincerely,

Mr Gilchrist
Principal.
